

Wishing you all the Hope, Wonder, and Joy that the Season can bring!

Dear Friends:

Your ability to hear connects you to those you love, allowing you to share ideas, dreams and goals with each other. During the holidays I am especially grateful to play a part in that: Enabling someone to hear better not only helps that person, it is a gift to their friends and family, too.

I'm also grateful for the opportunity to participate with the Starkey Hear Now Foundation* and its mission to bring the gift of hearing to those who cannot afford it. For \$125 per device, or \$250 for a pair, Starkey will provide assistance for people right here in our community. And I will match all local contributions in December—dollar for dollar.

We are also happily accepting donations for the Grand Haven Impact Program, a local program to ensure homeless students have the clothes, school supplies and toiletries they need so that they can concentrate on learning. So this season, in addition to my deep gratitude for your loyal business and trusted referrals, please also accept my invitation to give back: **Bring in an item for the GH Impact Program. And/or buy a star for Hear Now for \$1 or more and contribute to the cause. Every little bit helps!**

We look forward to seeing you and wish you a safe and joyful holiday season!

*Donations are tax deductible.

Kristin and staff invite you stop in during the month of December. Have a cup of coffee and pick up your special gift. We also hope you will join us in giving back to the community this Holiday Season.
